Set sail from Soneva Kiri to discover some of Thailand's most breath-taking beaches. The **Seven Days, Seven Beaches** experience will take you to seven of these unforgettable hidden gems, just a short cruise away, yet far from the usual tourist trail.

Step aboard a traditional wooden fishing boat to explore secluded coves, fringed by swaying palms, crystal-clear lagoons and the purest white sands. When the boat anchors, it transforms into your own private beach club: snorkel the azure depths, swim ashore to sunbathe, kayak or paddle board along the coastline, and enjoy a sumptuous gourmet lunch, freshly prepared on board.

The destinations on the Seven Days, Seven Beaches experience have been chosen for their outstanding natural beauty, warm, pristine waters, and tranquil, castaway ambiance. Our destinations for each day's cruise include: Klong Chao Beach, Ao Kluai, Koh Rang's Blue Lagoon, Klong Han Beach, Ao Tapao, Klong Ngamko Beach and Takhian Beach.

The experience can be tailored to your needs, giving you the freedom to choose from a one-day cruise to your favourite beach or embark on the full seven-day adventure to discover a new beach every day, returning to Soneva Kiri as the sun goes down over the horizon.
