Inspiring a Lifetime of Rare Experiences

At Soneva, our creativity is driven by our guiding principle of 'Intelligent Luxury', which is about understanding what true luxury is for our guests; many of which spend most of their time in urban environments.

With our team, we continue to question and challenge what is rare, and hence a real luxury. We have curated the following rare and authentic experiences to help create precious, life-enriching stories and memories.

The Tastemakers

What makes a Soneva dinner an experience that will be remembered for a lifetime? It is a combination of the passion of some of the world's best chefs and sommeliers working hand-in-hand with expert gardeners, fishermen and suppliers who provide the finest and freshest ingredients available.

Each of our new Tastemaker films will be released every fortnight, between July to December 2019.

Oppidan tutors will be onsite at Soneva Fushi between October 19 – November 02, 2019 and again between February 09 – February 22, 2020.
